5. You will be redirected to below page. In the below page click on continue.

The screenshot shows the website for 'Linux and Bash IT Corporate Bootcamp Batch 9'. The page has a blue header with navigation links like Home, Batches, Services, Appointment, and Videos. Below the header, the course title is prominently displayed. A 'Continue' button is visible on the right side. A sidebar on the right lists course details: 100% positive reviews, 33 students, 51 lessons, English language, and a test. The main content area describes the bootcamp as a job-oriented, hands-on training program for Linux system administrators.

6. Now please click on each video and documents to access it or click Next and Previous to Move it (Note: This is screenshot is from Batch 9)

The screenshot shows the course page for 'Linux And Bash IT Corporate Bootcamp Batch 9'. On the left, there is a list of course topics, with 'COURSE CURRICULUM & MANDATORY TERMS & CONDITIONS' and 'INTRODUCTION TO LINUX' highlighted with red boxes. The main content area features a video player showing a live session with a host and several participants. Below the video player, there are 'Next' and 'Previous' buttons, with the 'Next' button highlighted by a red box.

Linux And Bash IT Corporate Bootcamp Batch 9

0 % Complete 0 of 49 Items Expire time: June 8, 2029
